

2020-2021
Season #102

Another season is in the books and the Cranford Dramatic Club, which has operated since 1919, has always been a member-driven organization. We are proud to be one of New Jersey's oldest continuously producing community theatres. We would like to thank you for donating your time both on and off the stage and your membership dues to help pay some of our production expenses. For our 2020 – 2021 season, the Cranford Dramatic Club is looking forward to another full slate of wonderful shows.

In the past, each member received a Complimentary ticket to 3 of our productions. However, this season you will also receive a ticket for a **Special Event!**

We hope that you will continue your membership with the CDC!
