

Dear Directors,

Welcome to CDC Theatre. We're glad you're here!

Thank you for your interest in our 2022-2023 Season. Please fill out the attached form and return it to the Season Planning Committee at info@cdctheatre.org no later than Oct. 31, 2021

We invite you to include up to 3 plays in order of preference to be read by the committee and, if possible, to submit a copy of each play under consideration. Digital submissions are preferred, but hard copies are okay too.

Directors under consideration will then be asked to meet with the Season Planning Committee for a discussion that includes your vision for your selections, your process working with actors and designers, and why you feel this is the right production for this Season.

The Season is anticipated to be selected by March 1st, 2022.

Past Experience (Please include a directing resume if applicable)

Have you directed at CDC Theatre before?

Are there upcoming productions that you've directed that we might attend?

Do you have creative references whom we may contact?

If there are past productions that you would like us to consider please list or include a recent resume.

Thank you! We look forward to considering your submission and exploring these possibilities.
