

CDC Theatre is looking for someone who would like to join the production team of our Young Artist Program 2020

CDC Theatre is the oldest, continuously producing community theatre in New Jersey. Our mission as a 501©3 non-profit organization is to offer family friendly, live theatre to the community and to encourage the development and enjoyment of theatre arts. We will consider directors within a broad range of experience and are looking for people who will bring their enthusiasm to our theatre and the community.

The right candidates will not only be interested in directing a show for students in grades 3-8, but will also be involved in every aspect of the production. Past shows for this age group have been Disney's Alice in Wonderland Jr., High School Musical Jr., Disney's Little Mermaid, Jr., Mulan Jr. ,Willy Wonka and Shrek Jr. with casts in the range of 30-40 students. Rehearsals have typically been 2-3 days a week, after school and possibly on the weekends and the shows have been presented in early June.

Directors interested in working with us are asked to submit at least one, and no more than three, shows for our Program Committee to consider, along with a synopsis of each show. We also ask that you include your resume, a brief statement of your interest in the shows and why you chose to submit to CDC Theatre. Materials can be found on our website, cdctheatre.org.

The deadline for submissions is September 1.

Directors who have submitted a project that is of interest to CDC Theatre will be contacted via e-mail so that we might schedule an interview. While all completed submissions will be given the same consideration, CDC Theatre reserves the right to choose projects and directors that the committee feels will fit with the theatre's mission and benefit the theatre.

Materials may be submitted electronically, along with any questions, to joanneges@comcast.net ,or lizhoward20@yahoo.com ,or mailed to CDC Theatre, P.O. Box 511, Cranford, NJ, 07016. Attn.: Program Committee.
